## Happy New Year from Cherished Frames

To all of our customers and supporters we hope you had a merry Christmas and a safe and happy New Year. 2011 saw us have a greater presence at the CMA markets, which we plan to continue this year as well as as many local events as we can cope with. Add to that some new equipment and suppliers and 2012 promises to be a big year.

This year we will also be focussing on our kids craft classes, both after school and during school holidays. Don't forget that classes are run in Lilydale as well as being available for your group at your location. We'll be running general classes as well as specially themed workshops for Easter, Mother's and Father's Day, Christmas, etc. Keep an eye out for the classes available and if you have a group for a specific theme don't hesitate to contact us, as I'm sure we'll be able to help.

## Advent Calendars

Demand for our advent calendars was quite amazing this year. A number of customers have already asked for a calendar for Christmas 2012 so we have decided to start a pre-order list for this year. You can just pay a small deposit and we'll have your calendar ready for you in November. Alternatively we can arrange a layby.

Please email us at [calendar@cherishedframes.com](mailto:calendar@cherishedframes.com) to book your calendar today, or come and visit us at market to place

## Kaiser 3 Page Kits

Kaiser have recently released six 3 page scrapbooking kits. Cherished Frames are pleased to be able to offer these to you for only \$35. The kits include all papers, die cuts, instructions and some embellishments. We are able to supply additional embellishments (eg the flowers shown in the Madame Boutique kit) if required as well.

These kits are a good introduction to the world of scrapbooking with full, easy to follow, instructions to guide you through the project. They are also a great way for more experienced scrappers to learn some new skills and techniques as you work through each kit.

## Flower Ball Decorations

We recently made up some beautiful flower ball table centres for the Pink Ribbon Day fundraiser at the Vines Restaurant.

These very versatile balls can be used as a table centrepiece or they can be hung from ribbon as a hanging decoration for any occasion.

Mounted on a holder for a table decoration they are \$45 and hanging they are \$35. The balls consist of 12 flowers each made with 5 individual petals and are approximately 15cm in diameter.

The balls can be made in any colour scheme to suit your event or decor and we can even add a table name or number (as we did for the Pink Ribbon Day event).

## Kids Craft Kits

This year Cherished Frames will be releasing a new range of kids craft kits starting from as little as \$2 each. These make great presents or even small rewards for a job well done.

Foam Frame Kit - \$2

We released some Christmas themed products late last year

so stay tuned as more kits come out. All kits include the base piece (ie - mask, frame, plaque, etc) as well as various embellishments depending on the kit.

If you have any requests as to what you'd like to see as a kit please let us know and we'll see what we can do.
